The Milwaukee Braves Will Live Again for All of Us

Remember the fabulous days we all enjoyed when the Braves were our home team, arriving from Boston and making Milwaukee the World Champs in 1957. Oh, how we loved and followed them – Aaron, Mathews, Adcock, Logan, Crandall, Spahn and many more. They were our heroes. We knew all about them, and the Braves set attendance records year after year. Then, Fred Miller passed away, and an Atlanta group took our heroes away. But now, because of Bob Buege, who spoke in February about the American League being founded in Milwaukee, we will have a chance to relive those exciting days of the Milwaukee Braves. Bob is a former Pulaski High School teacher of 34 years who has written five books, including a history of the Milwaukee Braves. He’ll have some of those books with him to sell, so you can treasure the memories time and again and share them with grandkids and others. Don’t miss this phenomenal and nostalgic Roundtable. Questions? Ron Sonntag, 414-788-4907, or ron@rspr.com. Dinner will be served from 5 pm, so eat while listening.
Welcome Back, Snowbirds!
Time for The Party to Begin.

We are pretty much whole again, folks, now with the return to the flock of those Vagabond snowbirds who travel to warmer climes for the winter months. Welcome back, to all of you, and now it’s time for the summer party to begin, even though we still have some spring left to enjoy. Much more to look forward to, though, including Monday Night Summer Tennis for 12 weeks, weekend bike rides, weekly breakfast gatherings, monthly fish fries, weekly Saturday open tennis, picnic gatherings, sailing night, canoeing and kayaking, Over-the-Humps, theater events, weekly golf plus a golf scramble, day trips, Brewer game, Badger football game later, monthly meetings, Roundtables, meals, bands, dances, and a great deal more. Isn’t it fun being a Vagabond??
The smorgasbord of great things is set, so now it’s up to you to take from it what appeals to you. And what’s really great, especially for Vagabonds, is that it’s okay to take seconds, thirds, fourths, and even more helpings. So start enjoying what’s being offered to you, and MAKE LIFE HAPPEN!!!

Your President,
Ron Sonntag

I have been on the Board for five years as Finance and Bylaws Director. It has been such an experience and joy to keep the Club running so members have fun and make new friends. Please vote May 3.

RUNNING FOR THE BOARD

Ann Jankowski
For 11 years, I have had the good fortune of being a Vagabond. As a new member, I was impressed with how friendly, welcoming, and enthusiastic that the members are about our club. Since retiring, I have been able to enjoy numerous club events that are run by our talented event leaders. The tennis program, which has lessons for beginners and returning players, gave me the opportunity to return to tennis after many years of not playing. If anyone is looking for a variety of activities, this club has them, therefore making it easy to promote our club. This is my first time running for the Board, and I would appreciate your vote. Thank you.

Mike Paskov
Your Vote Would Be Appreciated
I’ve been a member of this great club for three years, and in that time, I’ve grown to love it so much for all the many things it offers and the great number of new people I’ve been fortunate to meet and enjoy doing things with. I’m a native Milwaukeean, though I’ve lived in a number of other places over the years. Educationally, I earned an MBA from the University of Wisconsin, and then sold technology equipment to financial institutions before going back into the construction industry that I worked in as a youth. I then opened my own business in 2013 called Heart & Home Midwest. We help people adapt their homes for varying health and age situations, so they can stay in them longer. I love coming up with new ideas, and I think my love for fun, exercise, movies, music, and food will help me come up with ideas to help the Vagabonds add more fun to their lives, too. I’m asking for your vote at the May meeting so I can continue to work with the Board to help the club go and grow. Thanks.

Pat Walslager
Hi, my name is Pat Walslager, and I am running for a fifth term on the Board of Directors for the Vagabond Ski & Social Club. I have been the Treasurer for the past eight years. I joined this great club in 2003. Over the years, I have been on the bowling league and have traveled down the Danube, Amazon and Milwaukee Rivers, spent over two weeks in the Mideast, toured Mayan Ruins in Mexico on the East and Puerto Vallarta on the west, spent a weekend in New York city, and planning on doing it again, picnicked at Devil’s Lake, and sailed around the Milwaukee Harbor with this great group. I am not a skier, but enjoy all the other activities. For my qualifications, I am a CPA (Certified Public Accountant) with over 30 years of experience. I ran my own accounting firm for over 25 years and retired from Milwaukee County in the Airport Division as a Deputy Director overseeing the accounting and budget functions for the division. I hope to continue to serve you in some capacity on the Board for the next two years. So I am asking for your support and vote to continue on the Board of Directors for a fifth term. Thanks.

Linda Horn
Four years ago, I had the honor of being elected to the Vagabond Board of Directors. I served as secretary for the first year, and then moved into the Ski/Tennis Director position, which is now Tennis/Pickleball Director. Since joining this great club, I have enjoyed many varied events, activities and trips that the Vagabonds offer. But, clearly, the greatest benefit of being a Vagabond has been the many, many wonderful people I have met, and the lasting friendships I have formed as a result. It would be a privilege to continue serving as a member of the Board of Directors, and I would appreciate your vote very much. Thank You.
Running for the Board and President

Ron Sonntag
How does one keep a great club great? It doesn’t just happen. It’s a job that requires continuous work, attention, ideas, drive, determination, and perseverance. It also requires teamwork, many volunteers and event leaders, a strong Board of Directors, and, of course, tons of members who like what’s happening in the club and want to participate, to sign up for events, to go to club functions, members who are motivated by activities that excite them, grab their interest, and keep them as active members.

Hopefully, tying all of that together is leadership from the top – from a Board of Directors that helps to keep all of those things in place and moving forward. So I’m asking for your vote once again for another term on the Board to continue helping this club to move forward.

New challenges await, but so do opportunities. The club recently launched a new website that has already received positive comments and more features are being planned for it. We are looking at expanding the use of credit cards for signups at meetings and for paying for events on the new website. We need to keep drawing visitors to our meetings and events to show them what a great and fun club we have. We need to make new members feel especially welcomed and appreciated, so they will stay and bring in friends to add more members. And we want to get ready for a big celebration next year of our club’s 60th Anniversary with a lot of fun associated with it.

In other words, we need to do the things necessary to keep our club the best club of its kind. As your President this coming year and possibly for the last time, I promise once again to give my all to help make good things to continue happening. I’d appreciate your vote, so I can do that. Thank you.

Attention All

As so many of you can attest to, ski trips are not only for skiers. Some people come along not to ski, but just to have fun and see the sites; and even some come along and fall in love (and not fall in love with skiing, but rather each other). Now that really isn’t our goal, but it certainly has happened (more than once, too). But with no further ado, I present our 2018 ski trips, with dates, so you can save the dates, as well as details for each trip.

Since we had quite a waiting list the last time we went to Snowmass, CO, we are going there again; dates being January 20th – 27th. We are staying at the same place, which was and still is, a fantastic ski-in / ski-out facility, which is the best. Space for only 40.

Our second trip will be to Europe from February 3rd – 13th. Long trip, not really, because for the first 7 days we will be in Kitzbuhel, Austria skiing or site seeing and then we are off to Munich, Germany. We have the place and the air locked in for 34. So don’t think too long on this one or you will be left behind.

Our third and last trip will be to Park City, UT from March 3rd – 10th. This is another ski-in / ski-out place which we have been to before, but are going to be in the newer part of the facility. Space for only 36.

Who goes south for the winter when you can have all this to look forward to? Great exercise and loads of fun! Thanks for your continued support. And as most people know, I will be passing the baton, with this being my last year as ski director. We have a GREAT person taking my place (though the placement of directors is left up to the President), but I may still have a little clout...

Interruption of Serve – Here’s a question that was submitted to the USTA. In a doubles match, my partner was receiving a serve. The first serve was out and rolled on to the adjacent court. My partner went all the way over into the adjacent court to retrieve the ball while we were all waiting. The server had been ready to serve the second serve all along. When my partner returned, I told our opponent to take two serves, because the serve had been unnecessarily interrupted. My partner was upset, but I believed that he/she should not have left the court to retrieve the ball between our opponent’s first and second serve so as a courtesy, I offered two serves. The USTA responded identifying that it is good sportsmanship to offer the server two serves in this situation. The ball should have been retrieved after the point was over, not between the first and second serves.

Avoid interrupting your opponent’s serve. But most of all, have fun and enjoy the game of tennis!!

Zany Bowling Returns for 12th Straight Year
Sat., May 13, 6:15 pm
Back by popular demand for its 12th year, it’s Zany Bowling fun for everyone, whether you’re a bowler or not. Yes, it’s been voted back again, so register early because space is again limited. We bowl three games – one a nine-pin tap, the second an eight-pin tap, and the third is A LEASTER. In the nine-pin tap, you just have to get nine or ten pins down on the first ball for a strike; with eight-pin tap, it’s just eight pins or more on the first ball for a strike, and for the Leaster, you have to try to miss the pins or get down the fewest. However, if you go in the gutter on the first ball, it’s a strike; on the second ball, it’s a spare. Talk about wild! And no, you don’t have to be a good bowler at all to score well and have a ton of fun with this one. You might even be surprised that your highest score is in the Leaster! That happens every year.

The fun takes place at Bluemound Bowl on Saturday evening, May 13, starting at 6:15. And what a cheap night! Just $15 per person for all of the bowling, fun, snacks, and a few prizes, too. Send your check, made payable to VSSC, to Ron Sonntag, 9406 N. 107th St., Milwaukee, 53224. Questions? Call Ron at 414-788-4907. Sign up alone, with a friend or mate, or with three, four, or five who want to bowl together. We’ll bunch everyone otherwise to four or five on a lane. Don’t miss out on this striking good time!!! Sign up before it’s full.
