### Events are happening

Have fun on Groundhog Day Feb. 2.

Happy Valentine's Day on Feb. 14.

We have events happening in our Club all month: ski racing, ski trip, Over the Hump get-together, bowling, winter hiking every Sunday, Festival City Symphony, Scrabble, Sheepshead, and don't forget we often have live music at our monthly general meetings. As long as our list of activities is, that's how many helpful hands it takes to execute these activities. And many more are coming in spring and summer.

If you have an idea for an event, contact a director-- Social, Sporting, Skiing, Tennis, Meetings. Maybe this would be an opportunity for you to be involved in your Club. You are too busy? No time to get involved? Our volunteers do not necessarily have the time, but they have the heart ... they have interest ... you can do it, too. There are many friends available to help you.

To date, our friends have been moving us forward. We need more people. We are encouraging our new members to step up and get involved. Show us your talents and strengths, give us your ideas and come to the meetings! We need people to step up and consider helping us on the board as there are positions to be filled in May. Without a board, there will be no Club!

We have some exciting trips coming this year: our international trip to Malta and Sicily, and our national trip to New Orleans. Stay tuned! Do you have an idea for a one-day local trip for the Club? Talk to me or Greg. And let's look forward to tennis, pickleball and golf this summer!

**Let's look forward to 2026!** And I'm looking forward to seeing you at our winter activities and our next general meeting, Feb. 4.

## Vagabonds start ski season in Montana

A group of 17 Vagabonds started out 2026 with a weeklong ski trip to Big Sky. Despite getting in well after midnight, most of the skiers fueled up at the breakfast buffet

Monday morning and then hit the slopes for a real treat: a couple of inches of fresh snow (weather that was repeated on five of the six days).

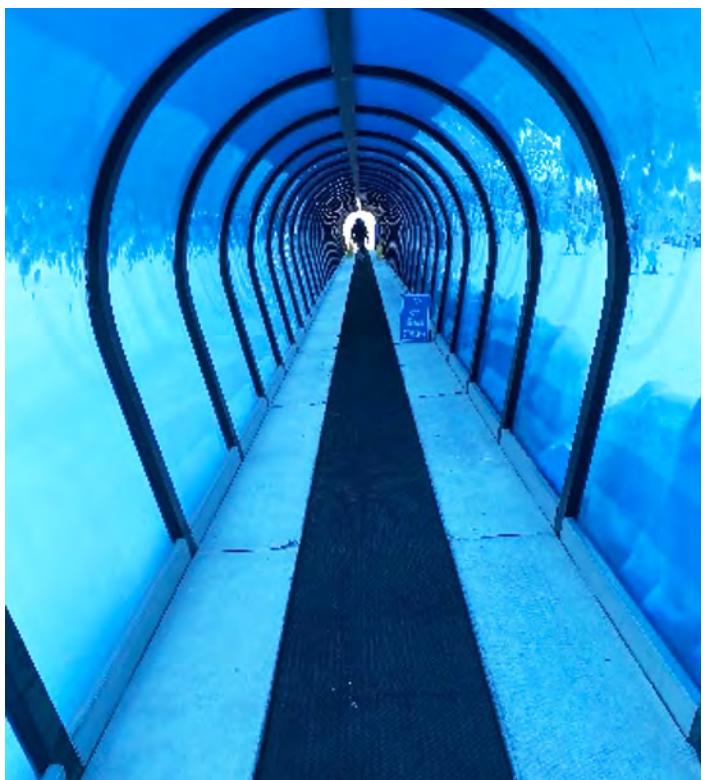

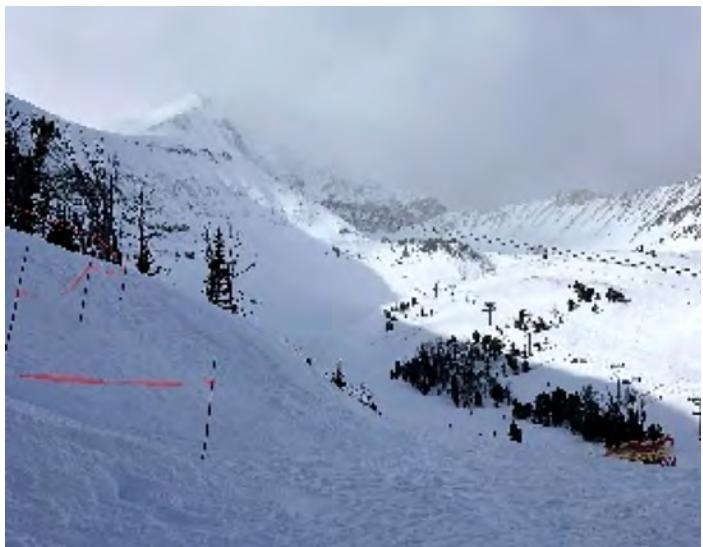

The new gondola near our Huntley Lodge accommodations was a convenient way to start the day, and the heated seats on some of the chair lifts were a comfort. Skiers and non-skiers both had a chance to take the tram to the top of Lone Peak to experience the new Kircliff observatory, offering some majestic views.

Half of the group took a day off from skiing to visit Yellowstone National Park and its wildlife, geysers and steamy, bubbly hot springs.

The club's next ski adventure is set for Feb. 7-14 at Aspen/Snowmass.
